Forecast for Thursday 17 Sep 2020

Weather: Any early low cloud quickly clearing during the morning. Blue skies and sunshine then dominating through the afternoon bringing a fine autumnal day.

Chance of cloud free mountain/hill tops above 600m: 60% becoming 100%. Cloud may affect some east facing slopes, around the 500m height, until around mid-morning. Otherwise however, the vast majority of summits and ridges will be cloud-free throughout the day.

Visibility: Generally very good with hills and landmarks at considerable distance visible outside of any early cloud. A slight haze at lower levels is expected, especially early and late in the day.
